For All Major Micro Computers

- Competitive Royalties

- Publicity Releases

- Professional Packaging and Advertising

- Professional Analysis and Appraisal
of Your Program

- International Distribution

**Send Your Program and
Documentation To:
TDC Distributors, Inc.**

Here's What We Do!

When we receive your program, one of our teams of experts will analyze it and give you an appraisal. If we feel that the program is marketable, but needs some slight improvements such as graphics, documentation, etc., we will advise you as to what should be done. We believe that if we can assist you in being successful, then it will be profitable for both of us.
